What is Recheck?

Recheck is an independent verification platform trusted by leading solar organizations to raise the standard of professionalism in residential solar sales. Learn more at **recheck.co**

SEIA Solar Energy Industries Association · goodleap · Palmetto · EnFin · Sungage Financial

Recheck Certified reflects a background check screening for offenses relevant to physical safety and financial trust in a residential sales context. It is not a guarantee of consumer safety and does not reflect a comprehensive review of a representative's lifetime conduct.
